LETTER.

No. G.86-a/3226 of 1948.
P.W.D. Offices, Churchgate Street, Fort, Bombay, 1st Oct 1948.

To

The Secretary to Government,
Public Works Department,
Bombay.

Re:- Appointment of Electric Inspectors.

Consequent upon my appointment as Electrical Engineer to Government, Public Works Department, Bombay vice Mr. R.G. Higham, who was also the Electric Inspector appointed under section 36(2) of the Indian Electricity Act, 1910, for the Province of Bombay, no notification seems to have been issued by Government appointing me as the Electric Inspector for the Province of Bombay for the purpose of exercising the powers and performing the functions under the Act. As in the absence of such notification, my authority as Electric Inspector is likely to be called in question in the course of my carrying out the statutory duties under the Act, with the ultimate result of rendering my acts invalid in law, it is requested that Government may be pleased to notify my appointment under section 36(2) immediately.

2. It is further requested that Mr. H.K. Guard who has been appointed as officiating Executive Engineer, Electrical Division, vice Mr. S.T. Rhenius, and who has been attending to the inspection matters under my guidance for the last six months, may also be temporarily appointed as Electric Inspector, Bombay Province, with jurisdiction over the whole Province for the time being, pending the appointment of a separate Executive Engineer for the Southern Electrical Division. Mr. Guard however, may be given all the powers of an Electrical Inspector under the Act and the Rules made thereunder except the following:-

(1) Power to give final decision under section 26(6) of the Indian Electricity Act, 1910.

(2) Power to institute prosecutions under section 50 of the Indian Electricity Act, 1910.

(3) Power to grant extension of time to a licensee for complying with requisitions under clause VI (1) of the Schedule to the Indian Electricity Act, 1910.

(4) Power to grant relaxations under rule 118 of the Indian Electricity Rules, 1937.

All the above powers are of a highly administrative nature, and in order to maintain consistency and uniformity in the decisions, it is advisable that they should be exercised singly by the Electrical Engineer to Government rather than by two separate Electric Inspectors, one for the Northern Division and the other for the Southern Division.

3. After the appointment of a separate Executive Engineer for the Southern Electrical Division, it will be necessary to issue a separate notification under section 36 (2) of the Indian Electricity Act in respect of the two Electric Inspectors defining the areas assigned to them.

4. It is also requested that Government may be pleased to issue a separate notification under section 55 of the Indian Electricity Act, authorising the discharge of its functions by men as mentioned below

Functions of the Provincial Government.	Name of Electric Inspector.
Sections 13, 18 and 34(2) of and clauses V(2) and XIII of the Schedule appended to the Indian Electricity Act, 1910 (IX of 1910).	Mr. S.G. Nadkarni, Electrical Engineer to Govt.

5. After the two Electric Inspectors are appointed for the Northern and Southern Electrical Divisions, they may be authorised to discharge ordinarily all the functions of Government under section 34(2) of the Indian Electricity Act, 1910, except in cases where the Electrical Engineer to Government may determine to also discharge them himself.

6. Since it is necessary to serve orders immediately on some licensees under rule 5, sub-rule (4) of the Indian Electricity Rules, Rules , 1937, it is requested that immediate steps may be taken in the matter .

Electrical Engineer to Govt.

B.V.P.

2678/38
54180

E.B.(I) and El.Beh. Public Works Deptt. -

Submitted .

2. The El.Engr. to Govt. requests that Govt. may issue Notifns., one under Section 36(2) of the I.E.Act, 1910, appointing him as El. Inspr. within the Province of Bombay and directing that he shall exercise the powers and perform the functions of an El. Inspr. under the Act, and the other under Sections 55 of the Act Authorising him to discharge the functions of the Provl.Govt. under Sections 13, 18 and 34(2) of , and Clauses V(2) and XIII of the Schedule to , the Act.

3. In respect of Mr. Higham, the late El. Engr. to Govt. no specific Notifn. appointing him as El. Inspr. under Sec. 36(2) of the I.E. Act, 1910 , seems to have been issued. Govt. Notifn. No. 334/36, dated the 6-2-37, confirmed his appt. as El. Engr. to Govt. and El. Inspr. for the Bombay Presy. and the Province of Sind Vice Mr. Keene retired. Prior to his appt, as El. Engr. to Govt. Vice Mr. Mr- Higham, Mr. Nadkarni was Ex. Engr . El. Divn. and El. Inspr. , Bombay Provinces . When he was so appointed specific orders were also issued appointing him as an El. Inspr. under Section 36(2) of the I.E. Act, 1910 , as suggested by the then El. Engr. to Govt. ~~vide~~ vide Govt. Notifn. No. 387/36, dated the 15-8-38. Since the appointment of Mr. Nadkarni as an El. Inspr . under Section 36(2) of the Act, notified in para.2 of the above Notifn., is of personal nature, i.e., by name , it seems that those orders still hold good and it does not seem necessary to issue a fresh Notifn. appointinghim as an El. Inspr. under Section 36(2) of the Act in consequence of his appt, as El. Engr. to Govt.

As R.L.A. may be requested to state whether this view is correct or a fresh Notifn. is necessary. In the latter case a draft Notifn. is put up for approval subject to the remarks made in the para. 3 and 4 below and the R.L.A.m. be requested to see whether it is in order.

4. By Govt. Notifn. No. 9024/27, dated the 10-2-36, the Engr., Govt. Central Distrillery, Nasik Road, is appointed as an El. Inspr. under Section 36(2) of the Act for the area occupied by the Distillery and ..... area is accordingly proposed to be excluded from the jurisdictions of Mr. Nadkarni as was done in the past vide para. 2 of Govt. Notifn. No. 387/36, dated the 15-8-38.

5. In Govt. Letter No. 5410/27-E, dated the 2-10-31, orders were issued to the El. Engr. to Govt. that the powers which are specifically delegated to an El. Engr. to under Govt. that the I.E.Act or the rules thereunder and on which there is an appeal to Govt. should not be exercised by him as El. Inspr. At that time, besides El. Engr. to Govt., who was also El. Inspr., Bombay Province, there were two more Inspr., one for the Bombay Presy. including Sind and one for Sind, and the above restriction was considered advisable to avoid the awkward position that the Govt'. decision in respect of appeals made under the Act orders of the El. Engr. to Govt., as El. Inspr. would be vitiated in as much as Govt. consults him (the El. Engr.) as its technical adviser in respect of such appeals, Vide para.3 of Mr. Braganza's note dated the 21-4-31 on pp. 17-22 of file No. 5410/27. For the present, however, Mr. Nadkarni will be the only El. Inspr. vide para.7 below. When the powers of El. Insprs. are delegated to the two Ex.Engrs. the attention of the El. Engr.to Govt. may be invited to

the orders mentioned above and he be asked to restrict to exercise his own powers accordingly.

6. As regards Section 55 of the Act, please see Gr. No. 2678/36, dated the 14-11-38.A After the retirement of Mr. Higham no such orders were issued and they may now issue as per draft Notifn. and GR.put up for approval. The H.L . A. will kindly state whether this draft Notifn. is also in order.

7. The El. Engr. to Govt. further requests that Mr. M.K. Guard who has already been working as Offg. Ex. Engr. , El. Divn. , Bombay , vice Mr. Rhemius may also be appointed as El. Inspr. under Section 36(2) for the Province of Bombay but suggests that his powers as El.Inspr. may be restricted to the extent shown in para.2 of his letter . In this connection, attention is invited to the office note dated the 26-8-48, recorded on file No. 2017/36-V , approved by the H.M. , P.W.D. It will be seen therefrom that it has been decided that Mr. Guard may be delgated full powers of the El. Inspr. as under the Act— in view of the experience gained by him previously. In any case, the question of ~~the El. Ins-r.~~ appointing Mr. Guard as permanent Ex . Engr. , El. Divn. and El. Inspr. Bombay , and that of appointing another candidate recommended by the P.S.C. to the post of Ex. Engr. and El. Inspr. Southern Divn., are under consideration of Govt. and orders will be issued in the near future . The proposed orders under Section 36(2) as well as those under Sec. 55 of the I.E.Act in respect of Mr. Guard and the other candidate may therefore be issued as soon as orders regarding their appointment as Ex. Engrs. ~~to Govt's letter~~ and El. Inspr are finally notified vide paras. 5and 6 of the El. Engr. to Govt's . letter .

8. The papers may be referred U .O.to the R.L.A. as proposed above. He may be requested kindly to thrent the case as immediate.

P.W. Deptt

El. and E. (I) Bchs.

Submitted with reference to the office note, dated the 23-10-48, which explains the case.

2. The R.L.A. has confirmed this Deptt's view that since under G.N. No. 387/36, dated the 15-8-3 Mr. Nadkarni has been appointed under Section 36(2) of the I.E. Act, 1910, to be an Electric Inspecto by Name fresh orders in the matter are not necessary.

3. It is now only necy. to issue orders authorisi him under Section 55 of the Act to discharge functi s of the Provl. Govt. under Sections 13, 18 and 34(2) of, and clauses V(2) and XIII of the Schedule to, the Act. The necy. draft notification and resolution in that connection are put up for approval and submission and may issue, if approved

4. As already noted previously, the question of notifying the appointment of Mr. H. K. Ghard and the other Ex. Engr. in the El. Circle as El. Inspectors under Section 36 (2) of the Act and of authorising them to discharge certain functions of Govt. under Section 55 of the Act will be taken up after orders re: their apptts. as Ex. Engrs and El. Insprs. are finally notified.

5. A draft letter to the El. Engrs. is also put up for approval. It may issue, if approved.

2. With reference to "B" in para. 6 of the Secretariat office note at pp. 31-32 ante, it is suggested that Mr. V. A. Joshi, Executive Engineer, Southern Electrical Division, may also be appointed as Electric Inspector under section 36(2) of the Indian Electricity Act, 1910, and delgated full powers of an Electic Inspector under the Act.

3. With reference to "E" in para. 4 of the Secretariat office note, the follwing area may be assigned to Messrs. H.K. Guard and Va.A. Joshi for exercising powers and performingth the functions of Electric Inspector under the Act:-

(1) Mr. H.K. Guard- The whole of the area comprising the City of Bombay and the Bombay Suburban District, Thana District, Kolaba District, Ratnagiri District, Surat District, Broach District, Kaira District, Rewah Mahals District, Ahmedabad District, Mahi-Kam-tha District and Panas Kantha District.

(2) Mr. V.A. Joshi- The whole of the area comprising the Poona District, Satara District, South Satara District, Sholapur District, Bijapur District, Belgaum District, Dharwar District, Kanara District, Nasik District, Dangs District, Khandesh Dist-East and Khandesh West Districts, Ahmednagar District and the whole area of Kolhapur State.

The areas of the districts referred to above are identical with the areas included in Divisions as lately reorganised consequent upon the merger of the States - vide Government, Political and Services Department (Confidential) Circular No. 2735/46-P dated the 28th October 1948.

Legal Department.

Two revised draft notifications are sent herewith.

2. It is proposed to appoint Messrs. Joshi and Guard to be Electric Inspectors not only within the districts but also within the States adjacent to the districts. The States areas have not been separately specified by the P.W.D. in their draft on the - presumption that under P . and S. D. Circular No. 2735/46 F, dated 28th October 1948, the jurisdiction of the district officers have been extended to the State areas mentioned against each district. It has been repeatedly held that the States areas do not form part of the Province of Bombay and as such they cannot form part of the district. The Circular in question is of an executive character and is intended for the specific purpose mentioned therein. To carry out Government intention it is necessary to appoint Messrs. Joshi and Guard as Electric Inspectors within the States areas under para. 3 of the Indian States (Application of Laws) Order, 1948 and paragraph 3 of the Kolhapur State (Application of Laws) Order, 1949, by which the Indian Electricity Act, 1910 , has been extended to the Indian States and the Kolhapur State respectively. The P.W.D. should fill in the names of Indian States in the Schedule of the two notifications jurisdiction over which is to be given to the Electric Inspectors.

3. The Indian Electricity Act, 1910, has not been applied to the Baroda State. A seprate notification will have to be issued under the Electricity Act corresponding to the Indian Elec... sity Act, 1910, if any in force in Baroda State. P. and S. D. may be consulted about this.

2. It is further requested that Mr. H.K. Guard who has been appointed as officiating Executive Engineer , Electrical Division , vice Mr. S.T. Rhenius, and who has been attending to the inspection matters under my guidance for the last six months may also be temprarily appointed as Electric Inspector, Bombay Province, with jurisdiction over the whole Province for the time being, pending the appointment of a separate Executive Engineer for the Southern Electrical Division. Mr. Guard , however, may be given allthe powers of an Electric Inspector under the Act and the Rules made thereunder, except the following:-

(1) Power to give final decision under section 26 (6) of the Indian Electricity Act,, 1910.

(2) Power to institute prosecutions under section 50 of the Indian Electricity Act, 1910.

(3) Power to grant extension of time to a licensee for complying with requisitions under clauses VI (1) of the Schedule to the Indian Electricity Act, 1910.

(4) Power to grant relaxations under rule 118 of the Indian Electricity Rules, 1937.

All the above powers are of a highly administrative nature, and in order to maintain consistency and uniformity in the decisions, it is advisable that they should be exercised singly by the Electrical Engineer

to Government rather than by two separate [illegible]

Re:- Appointment of Electric Inspectors.

It is observed from the schedule to Government Notification No. 2678/36(II) dated the 1st July 1949, published in the Bombay Government Gazette dated the 7th July 1949 at page 3617 (part I), that the Ratnagirir District is included within the jurisdiction of Mr. H. K. Guard, Electric Inspector , Bombay.

Consequent upon the merging of the Kolhapur State with the Bombay Province, the Ratnagiri and other towns in that District will be nearer to Kolhapur where the Sub- Division for the Deccan Merged States is now located, and as such Ratnagiri will be more convenient and economical to Poona than to Bombay .

It is , therefore, requested that Government may be pleased to delete the Ratnagirir District from the jurisdiction of Mr. H.K. Guard, Electrical- Inspector, Bombay and include it within the jurisdiction of Mr. V. A. Joshi , Electrical Inspector , Poona at a very early date .

Re:- Power to discontinue supply for failure to pay fees for the services of Electric Inspector.

As the cases of arrears of fees payable by the consumers for inspection, examination or test or any other service rendered by an Electric Inspector, or an officer appointed to assist the Electric Inspector, have been pending since long, it is considered imperative that the power to discontinue supply of energy conferred by Section 6 C of the Bombay Electricity (Emergency Powers) Act, 1949, should be exercised as early as possible to ensure prompt recovery of the outstanding fees. As the Electric Inspector who is directly concerned with the charging and recovering of fees , will be in a better position to exercise the power, it is suggested that Government may be pleased to authorise both the Electric Inspector, Bombay and Poona to exercise the power in their respective jurisdictions specified in the schedules appended to Government Notifications Nos. 2678/36(ii) and 2678/36(i) dated 1-7-1949 respectively .

Electrical Engineer to Govt.

B.V.P.

2678/36/79624.

El. Bra(I) P.W.D.

Submitted together with Srl. Nos. 80695, 77065 and 79624.

2. The question at issue is to consider the following proposals of the El.Engr. to Govt.:-

(a) Mr. M. K. Guard, El. Inspector, Bombay, should be authorised to discharge in the area covered by the Baroada State, the functions of Govt under Sub-Section 2 of Section 34 of the I.E. Act, 1910.

(b) Mr. V.A. Joshi, El. Inspector, Poona, should be authorised to discharge in the Ratnagiri District, the functions of Govt. under Sub-Section 2 of Section 34 of the I.E.Act, 1910.

(c) Both the above Inspectors should be authorised to exercise in their respective jurisdictions, the power to discontinue supply of energy conferred by Section 6 C of the Bombay Ely. (Emergency Powers) Act, 1949.

3. Points (a) :- Under G. No. No. 2678/36(I), and 2678/36(II), dated the 1-7-49, certain Districts and States have been assigned to Mr. V. A. Joshi and Mr. M.K. Guard, El. Inspectors, and they have been authorised to discharge in those areas, the functions of Govt under Sub-Section 2 of Section 34 of the I.E.Act, 1910. Baroada State has since merged into the Bombay Province and it was proposed to include this in the jurisdiction of Mr. Guard. The Legal Deptt., however, observ in this con. that the I. E. Act, 1910, had not been applied to the Baroda State and a separate notification will have to be issued under the Ely. Act, corresponding to the I. E. Act, 1910, if any, in force in Baroda State and further suggested that the P.A.S.D

should.....

should be consulted about this. The I.E.Act, 1910, has since been applied to the Baroda State -vide, 28-11-49 on p.& S.D. note, dated the Baroda State p.66 ante. The area of Baroda may, therefore, be now included in the jurisdiction of Mr. Guard as at 'A' in the draft notification on p. 85 post.

4. Point(b) :- Under G. N. No. 2678/36(II), dated the 1-7-48, the Ratnagirir Dist. is included within the jurisdiction of Mr. H. K. Guard, El. Inspector, Bombay. The El. Engr. now proposes that Ratnagiri Dist. should be included within the jurisdiction of Mr. V. A. Shahi, El. Inspector, Poona, as, consequent upon the merging of the Kolhapur State with the Bombay Province, the Ratnagiri and other towns in that Dist. will be nearer to Kolhapur, where the Sub- division for the Deccan merged States is now located, and as such Ratnagiri will be more convenient and economical to Poona than to Bombay. This may be done as per draft notifications on pp.85&89 post furnished by the E.L.A. one of which on p. 85 post is slightly amended in ink so as to accommodate the El. Engr's proposal in para 2(a) above.

5. Point (c) :- Section 6 C of the Bombay Ely. ~~If any consumer fails to pay~~ (Emergency Powers) Act, 1949, reads as follows:-

" 6 C.(1). If any consumer fails to pay any fees leviable for inspection, exam.or test made or any other service rendered by an Electrical Inspector or any other officer appointed to assist the El.Inspector under the provisions of the I.E.Act, 1910, or any rules made thereunder, within ten days from the date of the presentation of the bill for such inspection examination, test or rendering of service, the Provl. Govt. or any other officer authorised by the Provincial.....

Provincial Govt. in that behalf may, notwithstanding anything contained in the Indian Ely. Act, 1910, or the terms of any license or sanction granted thereunder or any agreement for the supply of electrical energy, by order in writing direct the licensee, without prejudice to any other right to recover such fees, to discontinue the supply of electrical energy to such consumer and the licensee shall thereupon discontinue the licensee supply of electrical energy to such consumer .

(2) On payment of such fees by the consumer , the Provl. Govt. or the authorised officer may by order in writing direct the licensee to reconnect and recommence the supply of electrical energy, and the licensee shall thereupon reconnect and re - commence the supply to the consumer as soon as practicable .

"Provided that the licensee shall not be bound to reconnect the supply until the consumer pays to the licensee the charges for reconnecting the supply ."

The El. Engr. in his letter on p . 79 ante states that Govt. should authorise both the El. Inspectors at Bombay and Poona to exercise in their respective jurisdictions, the power to discontinue supply of energy, conferred by Section 6-C of the Bombay Ely. (Emergency Powers) Act, 1949. As the El. Inspector is directly concerned with the charging and recovery of fees, he will be in a better position to exercise this power. The El. Engr.'s proposal may be accepted . Necessary draft Notification is put up for approval.

3. .....

3. The R.L.A. may be requested to scrutinize the draft notification on p. 87 post and he may also see the modification in ink to the notification of p. 85 post, prepared by him, which is now proposed to be issued.

4. On return of the papers from the R.L.A., necy. draft G. R. will be put up.
